University of Jijel - Algeria

Dear **Taha Zerrouki,**
Coach of **Jijel Team,**

Team members:
1. **Abderrahmane Boukhezar**
2. **Amine Debieche**
3. **Maher MEBIROUK**

It is our pleasure to cordially invite you to participate in the 26th Africa and Arab Collegiate Programming Championship (ACPC), headquartered at the Academy for Science, Technology and Maritime Transport (AASTMT) in Alexandria, Egypt, that will be held from the 4th to the 8th of March, 2024, in Luxor, Egypt.

All events and food functions on the ACPC Championship Events Schedule will be provided to registered participants. The Visa Manager (manager@acpc.global) will give assistance with visas and related inquiries.

The ACPC, is a team-based programming competition, operating under the supervision of the ICPC Foundation and headquartered at the Arab Academy for Science and Technology. It is a multi-tier competition, expanded into a regional network of universities hosting regional competitions, for more than 25,000 contestants competing in over 75 contests in 29 countries, with their winners advancing to the ACPC Africa and Arab Collegiate Programming Championship. The best teams will qualify for the World Finals to compete for medals, the trophy, and the honor to be called ICPC World Champions.

The purpose of the contest is to foster creativity, teamwork, and innovation in building new software programs, and enables students to test their ability to perform under pressure. The Arab Academy for Science and Technology joins the sponsor ICPC Foundation in supporting the Africa and Arab Collegiate Programming Championship 2023, and considers it as one among the largest, most enduring and prestigious programming contests in the world.

See you in Luxor in March 2024

Yours sincerely,

Prof. Dr. Ossama Ismail

ACPC Championship Director
